"Once around life, once around living....."

And why not? I we enjoy living and have decided to stay "around life" for a while. So let's face it — we're hooked!

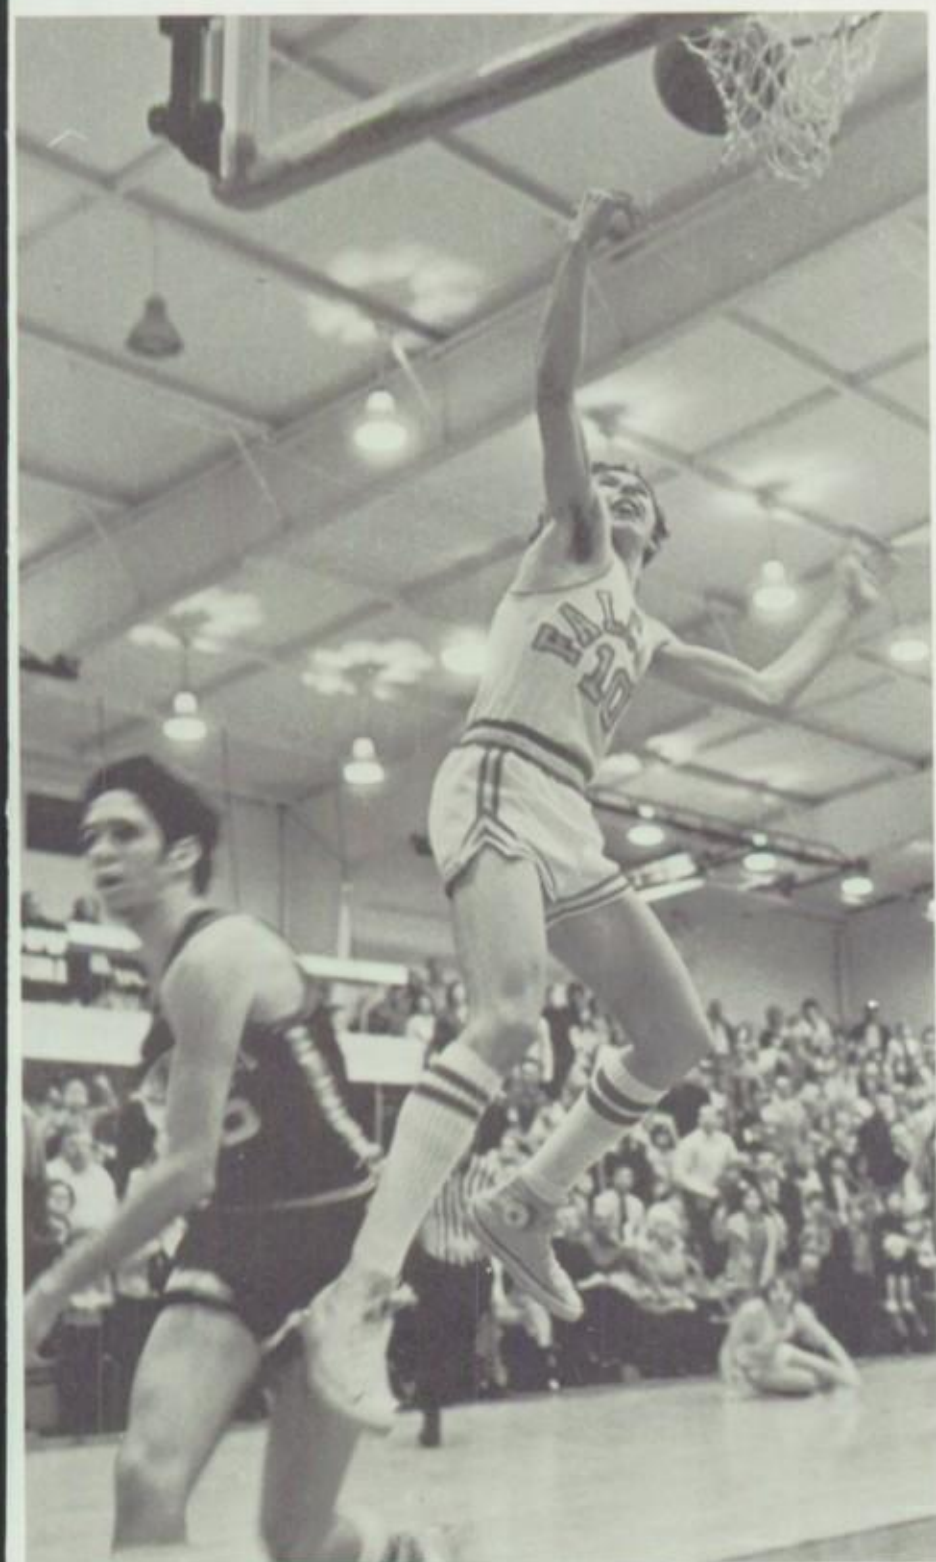

And how do we make the most of our "addiction"?

DOING is the way to handle it! We see what has to be done, think a bit, and then act. Then we smile & say, we've done it.... and wasn't it worth it??

Since we've tasted "living," we always come back like greedy fools for more and more chances to do the good things, even if they're a little different.

.....Once
around LIFE, once around LIVING.....

The 1972-73 Varsity Basketball Team: sitting, Tom Bruggeman, Steve Otte, Walt Acra, Mike Smith; standing, manager Joe Savers, Tom Boxwell, John Halbig, Dick Martin, Denny McConnell, Curt Clements, Don Murphy, and manager Mike Gall.

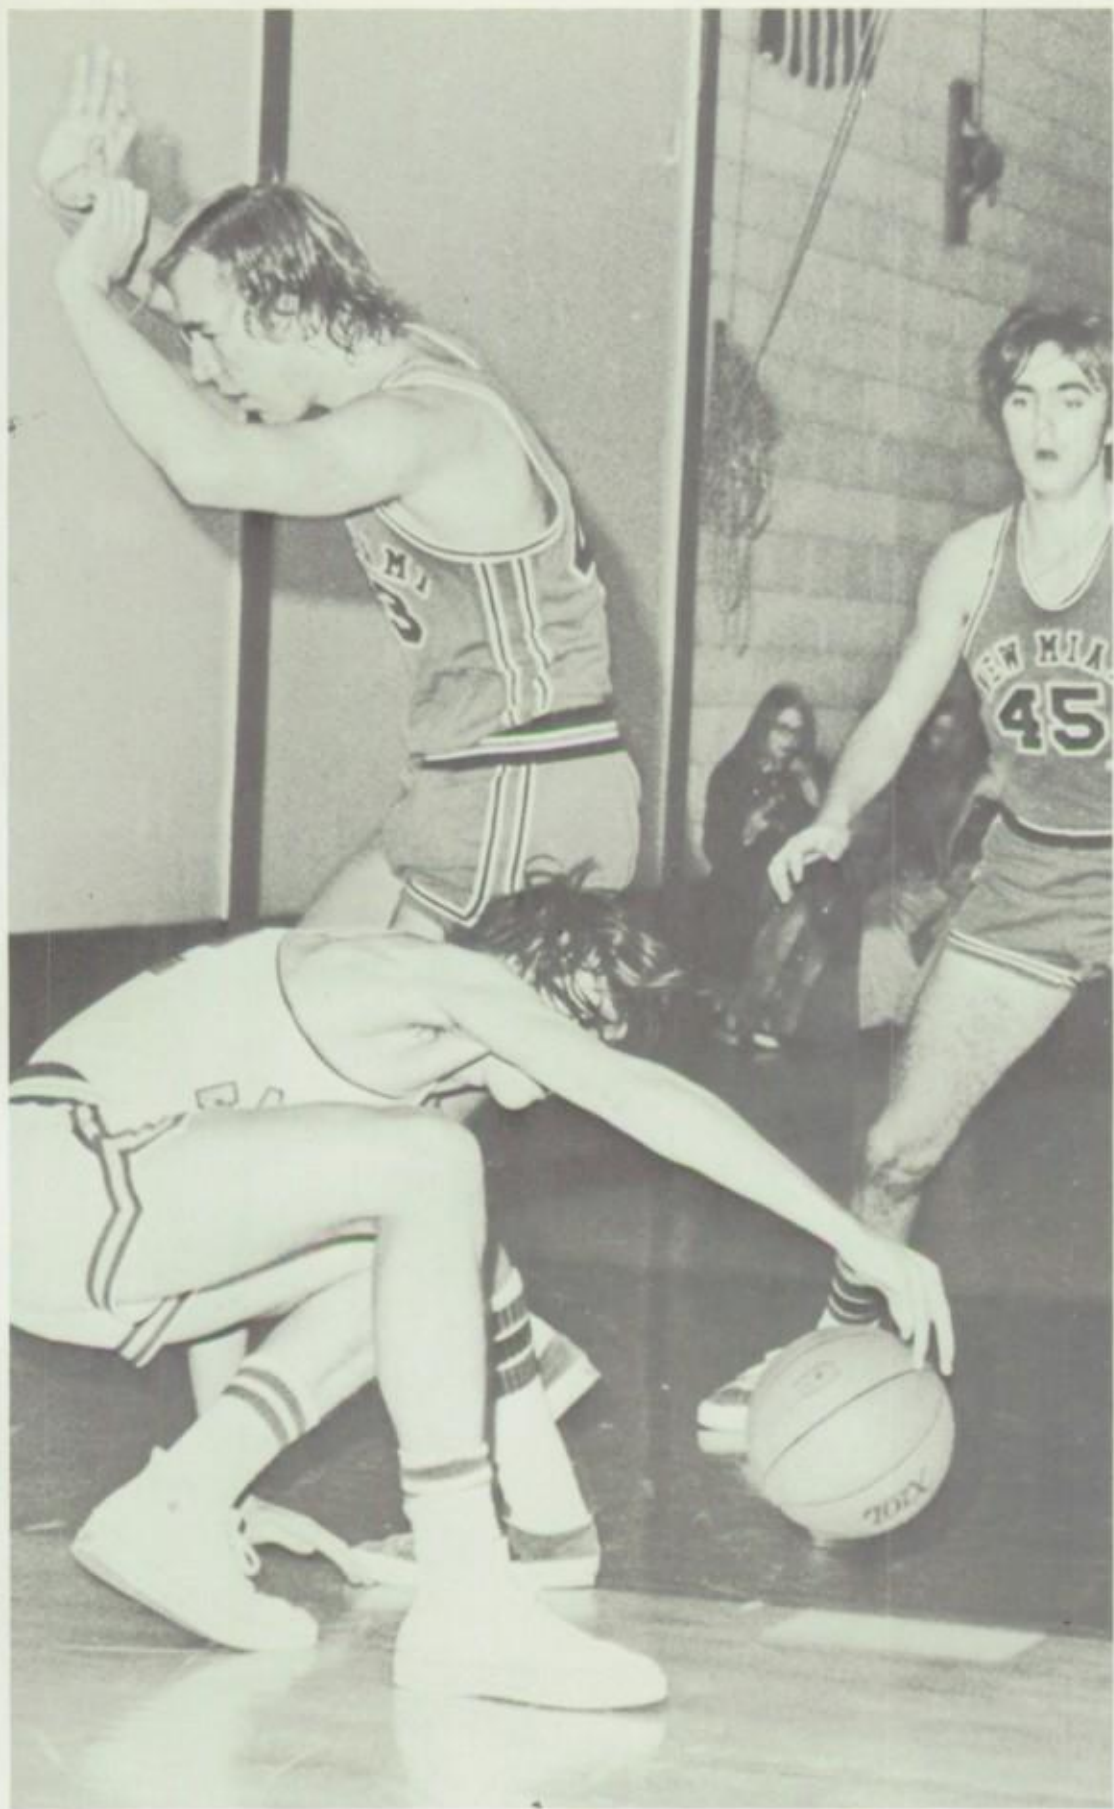

The 1972-73 varsity basketball season saw many fans on the edge of their seats, biting their nails. And by the time it was over, they were nervous wrecks, for the Birds were involved in eight fist-clenching contests which went right down to the wire.

Under veteran coach John Rossi, the Falcons finished an exciting 13-8 season when they fell to Ripley in the semi-finals of Class A tournament play in Cincinnati.

For leading his cagers to such a fine record during a tough schedule, Coach Rossi was named Coach of the Year in the Southwestern District. Joining him for team honors were seniors Walt Acra and Denny McConnell who received honorable mention.

Junior Falcons come on strong

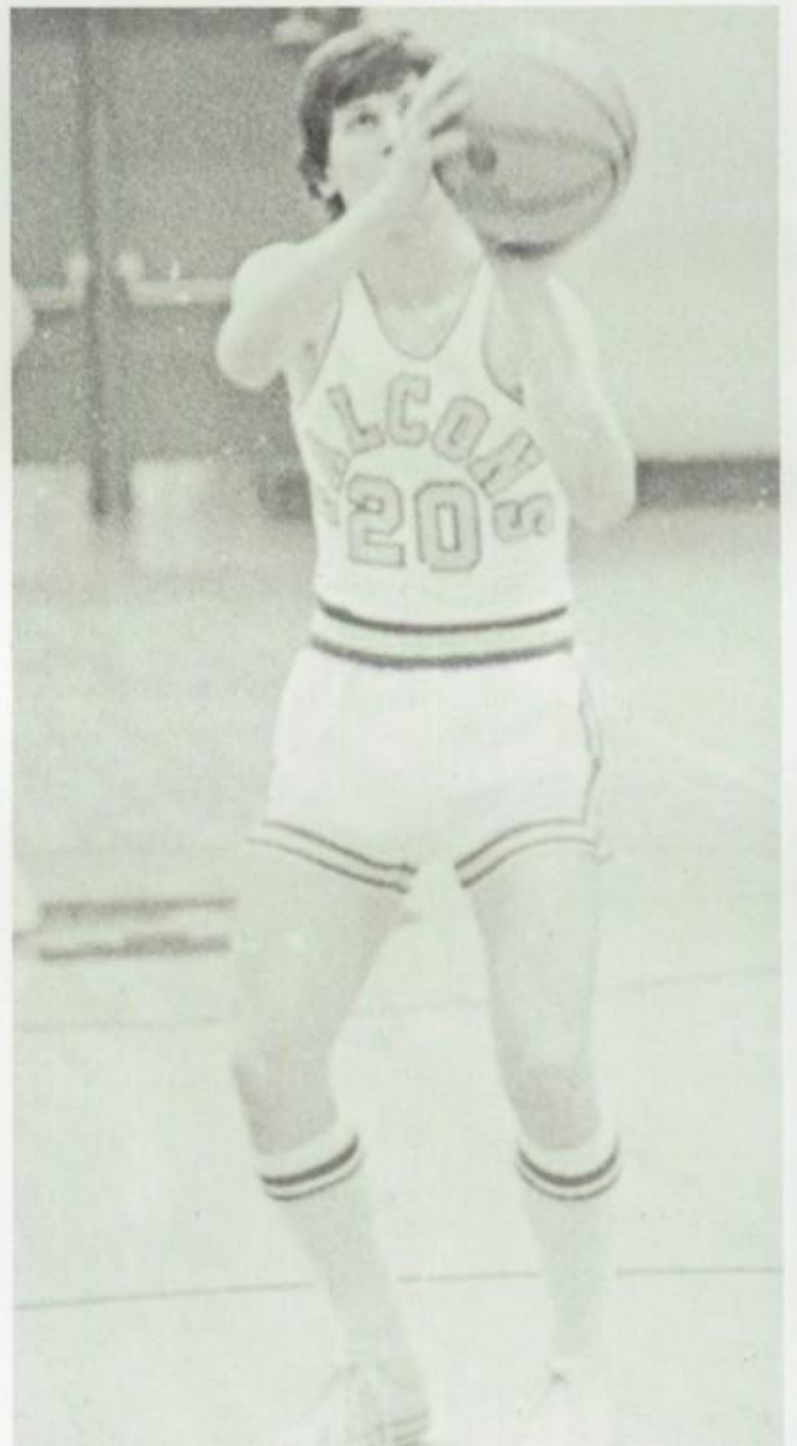

Coach Fred Nori's JV basketball team wound up its season with a fine 14-4 record and second place honors in the Mid-Miami League. The squad allowed its competitors fewer than 43 points per game.

Leading scorers were Matt Clemens at 11.7, Nick Schramm at 7.8, and Marty Bidwell at 10.2 for seven games. Bidwell was transferred to Varsity at mid-season.

Coach John Rossi's freshman cagers racked up an impressive 10-5 record for the season, bouncing back after five straight losses at the outset.

In the playoffs the young Falcons scored three straight wins to take the Dixie Invitational.

Leading scorers for the season were Joe Reek and Mike Gausling.

The 1972-73 Freshman Basketball Team: sitting, Bill Akers, John Timmers, Joe Reek, Charles Acra, Paul South, Tim Tipton; standing, manager Dale Rouster, Gary Reardon, Mike Gausling, Steve McGuire, Brian Rossi, Dave Fiessinger, Mike Harkrader, Rod Henning, Jim Warmoth, Don Kraft, and manager Chris Thieman.

Schwab's grapplers make mincemeat on mat

"It's been the best year in the four years of wrestling at Fenwick," according to coach Bob Schwab who led his matmen to a fine 8-2 season. It was also the first year for big league wins over Monroe, Franklin, and Edgewood.

Leading the grapplers were record breakers Tony Donisi (6-4-1) and Fred Schwab (13-0). Young Schwab's record at the end of the season stood at 29-2 for his sophomore and junior years.

Although illnesses plagued Schwab, Donisi, and Mark Hilboldt during championship play, Fenwick made its mark when Ken Ronto placed fifth in the sectional and Brian Mahany placed in the MML playoffs.

Wrestling cheerleaders: Margaret Detcher, Marilyn Stewart, Kathy Daly, and Dee White.

The 1972-73 Wrestling Team: bottom row, Greg Berns, Ken Ronto, Doug Dix, Gary McDonough, Tony Donisi, Gary Smith, Paul Carberry, Jerry Horn; second row, Jeff Tranter, Mike Donisi, Dave Dix, Steve Darragh, Mike Palmer, Don Horn, Eugene Lolli, Dan Orth; third row, Kevin DeBrosse, Ken Bowman, Mike DeBrosse, Andy Muraski, Tom Brill, Larry Piedad, Mark Hilboldt, Greg Braun, Jeff Hoffman; top row, Frank Nemcic, Fred Schwab, Coach Bob Schwab, and Brian Mahany.

Mafia Meanies shoot down competition

Lead by captain John Arnold, the "Mafia Meanies" played a brutal game to defeat the "Irish" 54-51 for the 1973 Intramural crown.

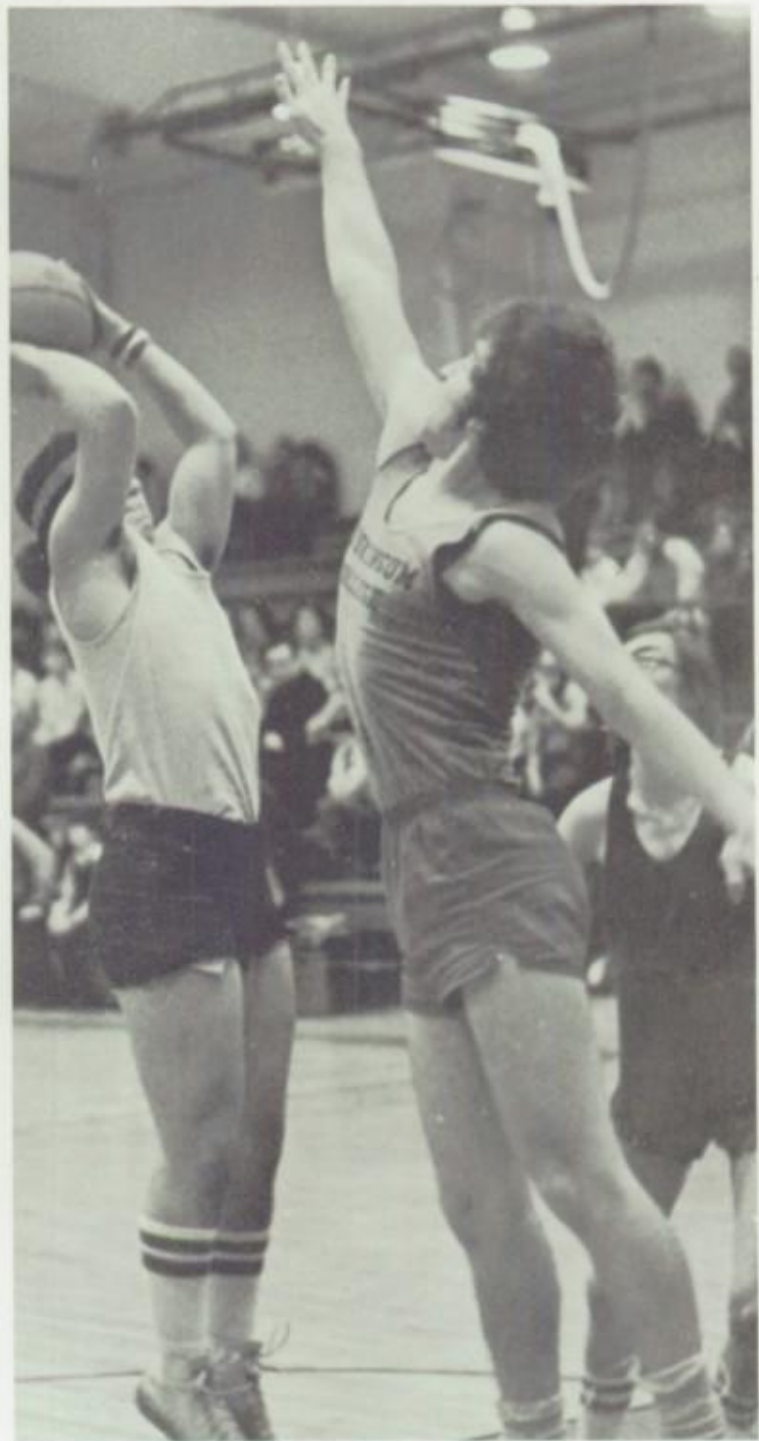

Fifty-six basketball enthusiasts participated in the regularly scheduled Wednesday night and Saturday morning games. Coaching leadership came from Fred Nori and Bob Schwab.

The best team record for the season (10-1) was recorded by captain Bill Schwab's "Wops." High scoring honors went to Bill Schwab (over 43 points per game) and Dick Martin (38 points).

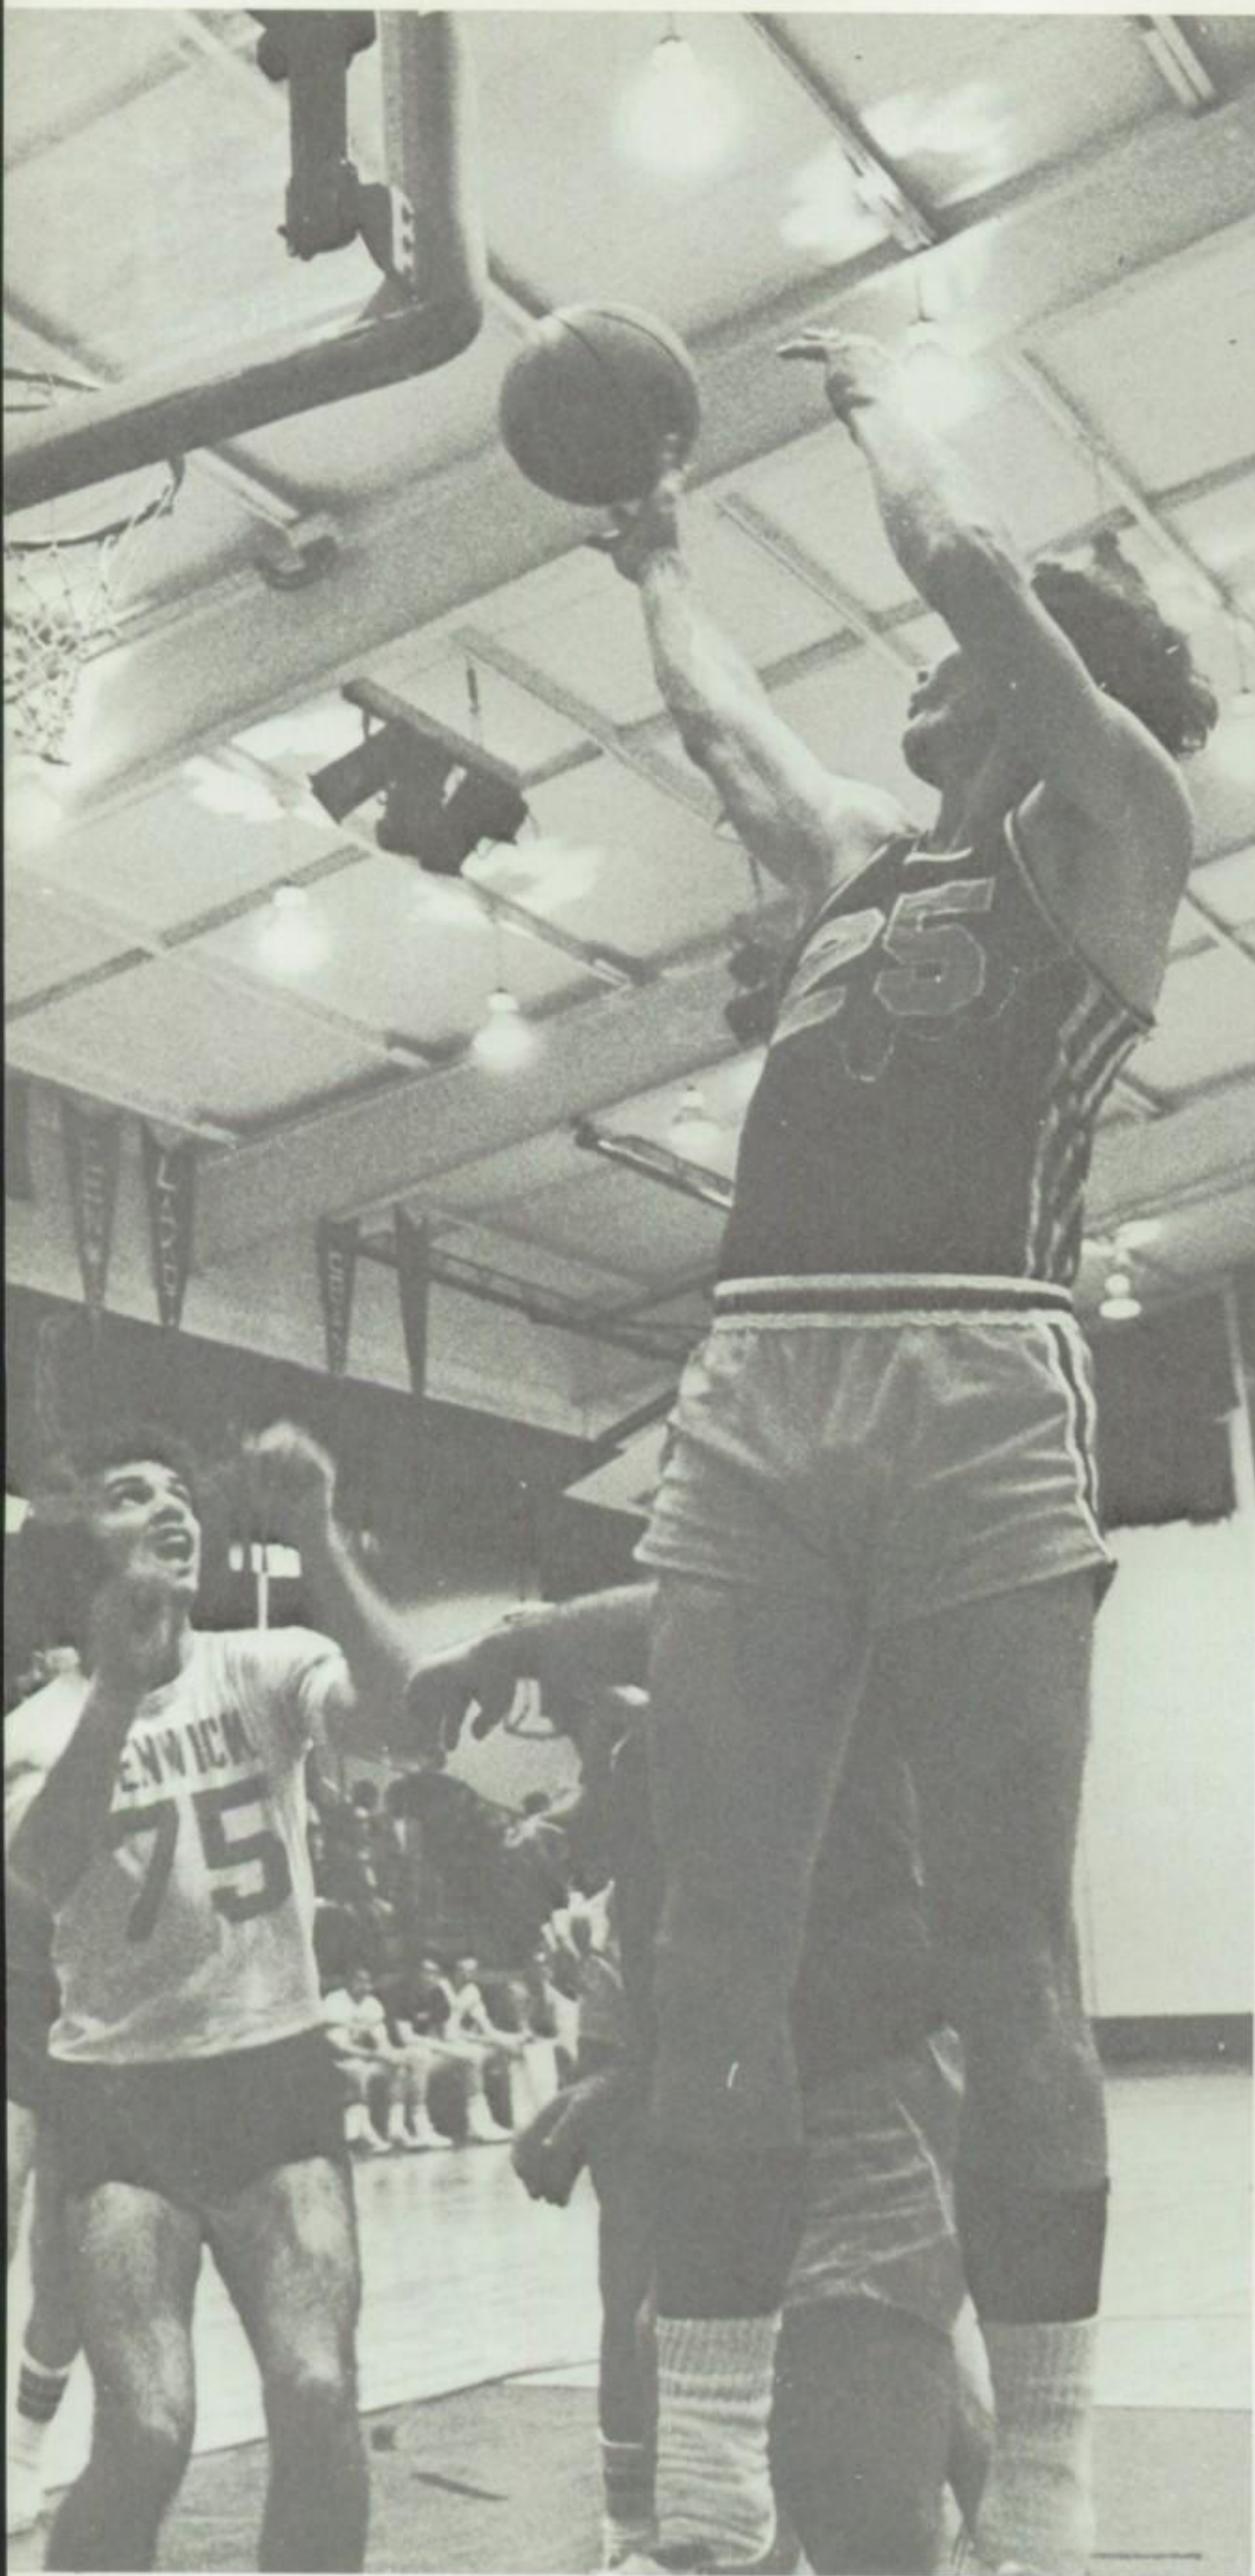

The "Meanies" sported a line-up of Arnold, Fred Schwab, Dick Chase, Mike Miller, Bob Augspurger, Tom Brill, and Jeff Tranter. Captain Mike Cochran's "Irish" consisted of Mickey Roberts, Dave Callsen, Chuck Sutter, and Jim Kleingers.

Cross Country team: bottom row, Jim Cramer, Mike Fening, Tom Hackett, Mike Donisi; second row, Tom Cape, Doug Dix, Weldon Gross, Dave Deger, Bill Spellmire; top row, assistant coach Bruce Huntsbarger, Chris Spellmire, and coach Ken Coe.

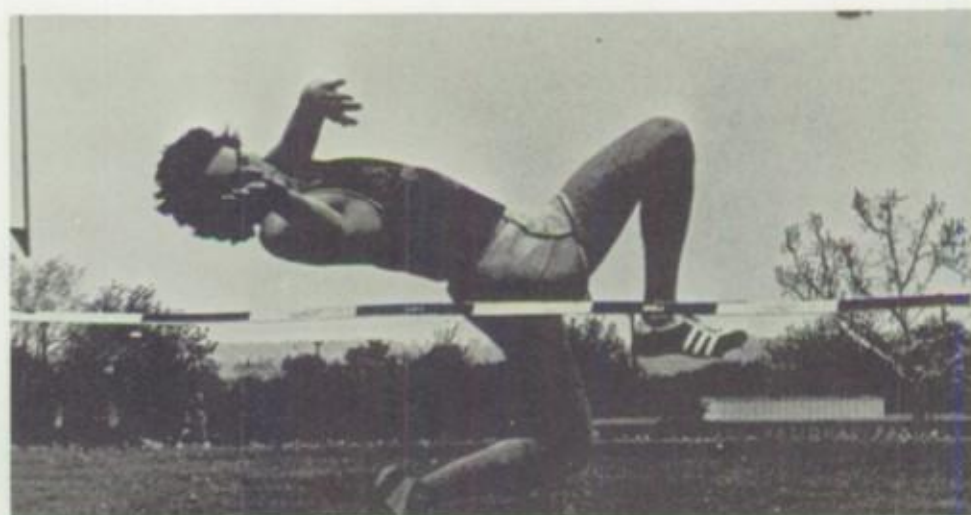

Despite inclement weather during much of the season, Coach Jerry Harkrader's Track team managed to come through with a number of record-breaking events.

Some of the outstanding scores were: Chris O'Connor—440—53.1; mile relay team of Tom Bruggeman, Mike Smith, Mike Fening, and O'Connor—3:41.2; and Tom Bruggeman—high jump—5'10".

In overall statistics the squad, which had Mr. Ken Coe as assistant coach, ended up third in sectional play; and at both Taft and Lockland, they placed fourth out of seven teams.

Qualifying for district competition were O'Connor and Mike Donisi, two-mile; and Gary Muthert, pole vault. Donisi placed fourth in the two mile, just one place short of making state.

Even though the 1972-73 Cross Country season was a bit disappointing, there were some high points. Coach Ken Coe's team wound up third in the Mason Invitational competing with seven other teams. The squad also copped third place in district playoffs.

In individual honors, Mike Donisi qualified for the state meet in Columbus.

"1, 2, 3 Strikes, You're out!"

Baseball team: bottom row, Gary Callsen, Mike Gausling, Dave South, Jim Galeese, Tim Delaney, Don Murphy, Paul Chase, Jack Totten, Marty Bidwell; top row, coach Fred Nori, Mark Moon, Dave McLaughlin, Jeff Hamilton, Dick Martin, Rick Fugett, Frank Nemcic, Greg Klapheke, Eugene Lolli, managers Dick Chase and Tom Stugmyer.

RAIN, RAIN go away!!#? /

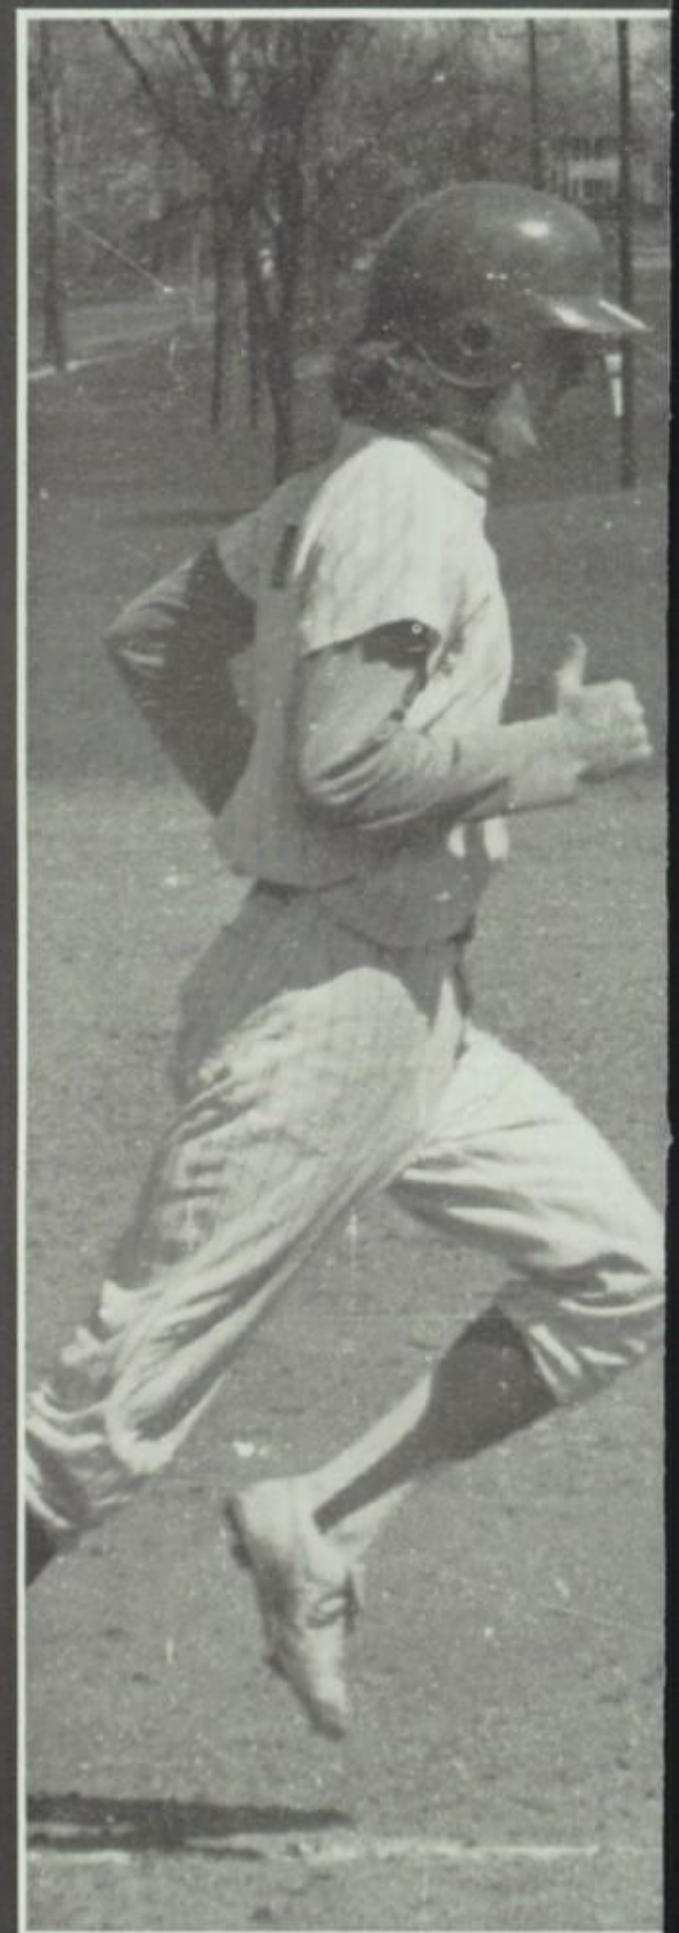

Even though Coach Fred Nori's Baseball team and the spring weather often clashed, the diamondmen surprised everyone with one of their finest seasons. The Birds racked up 18 wins and 7 losses, despite the fact that 19 of their contests were rained out.

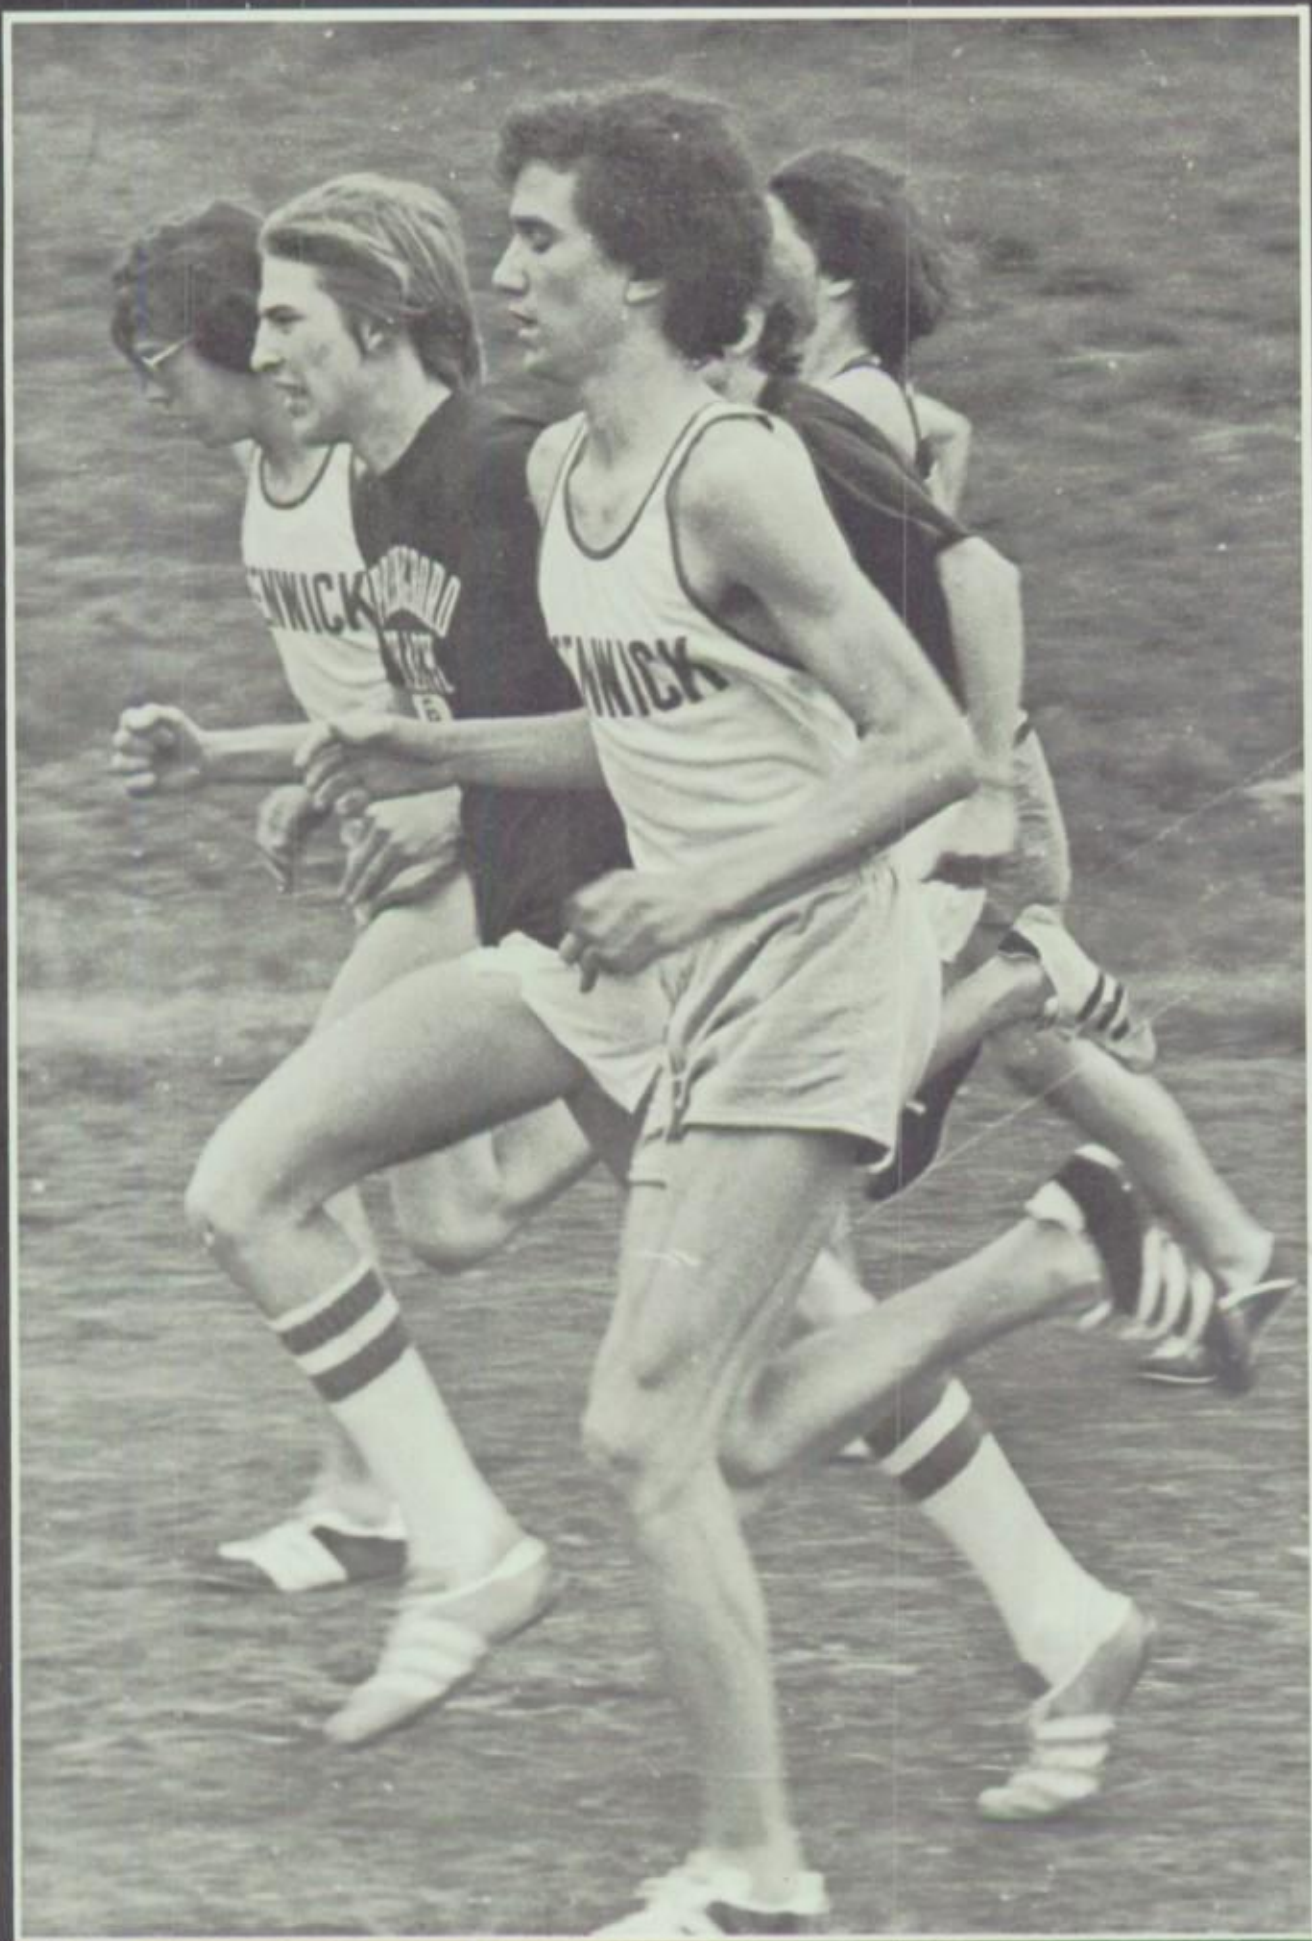

Senior catcher Paul Chase led the way to a 9-5 Mid-Miami League record. Chase, who batted .325 and knocked in 24 runs, was one of two players chosen from Southwest Ohio to play in the Ohio High School All-Star game in Columbus. In addition to being All-State, Chase won the new Dennis Bowman Memorial award for best all-around player.

The most valuable player honors went to second baseman Don Murphy. 'Bootie' hit at an average of .342, second only to Frank Nemcic's .350.

Dick Martin led the pitching staff with a 3-0 record and a 1.32 earned run average. Jeff Hamilton and Greg Klapheke followed with records of 5-2 and 4-2, respectively.

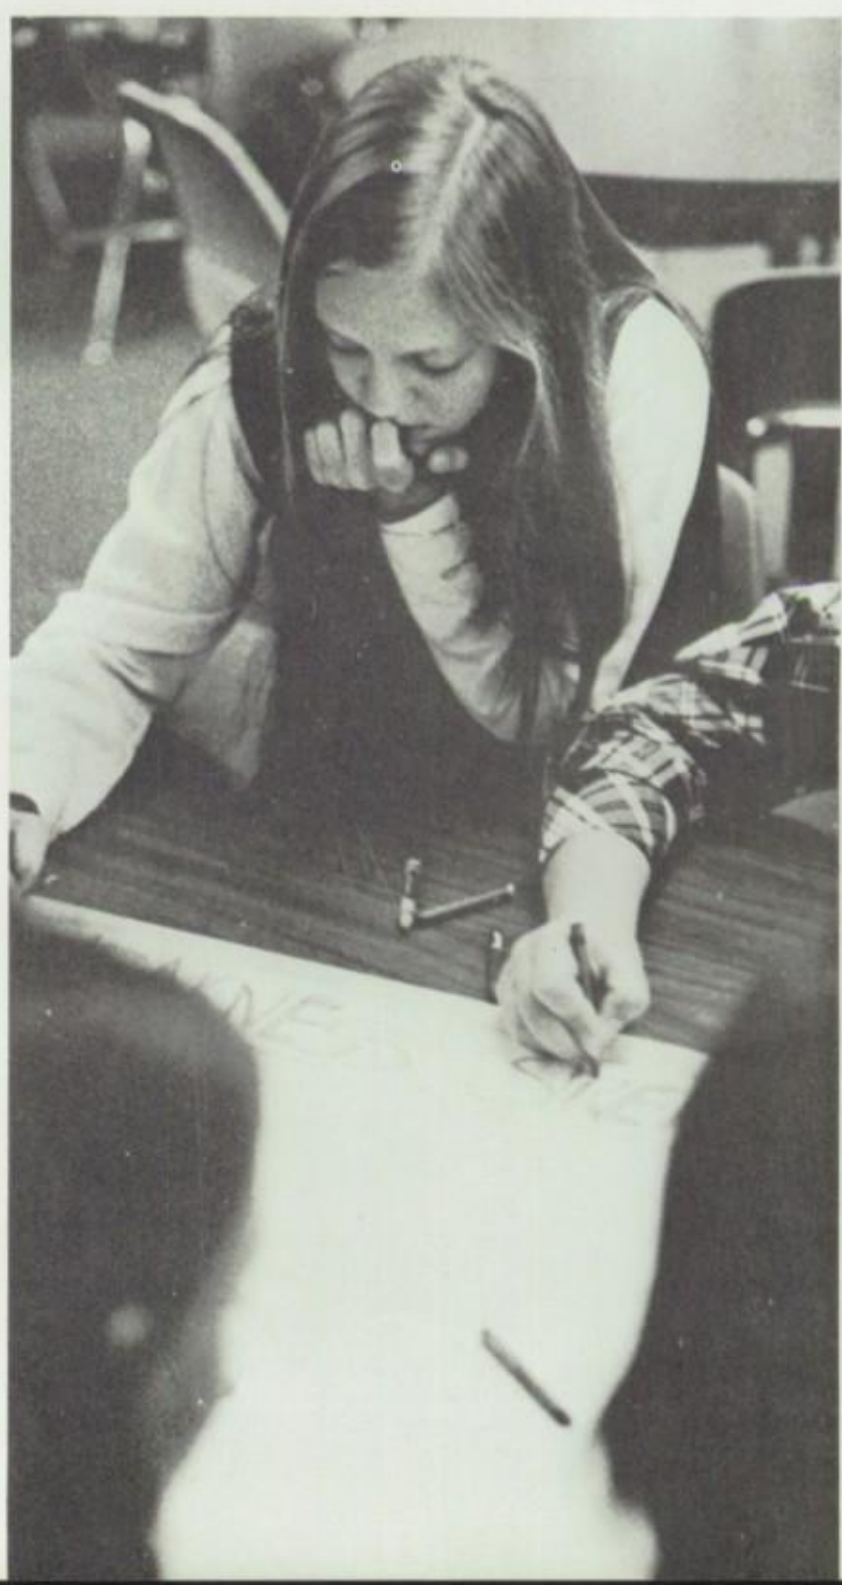

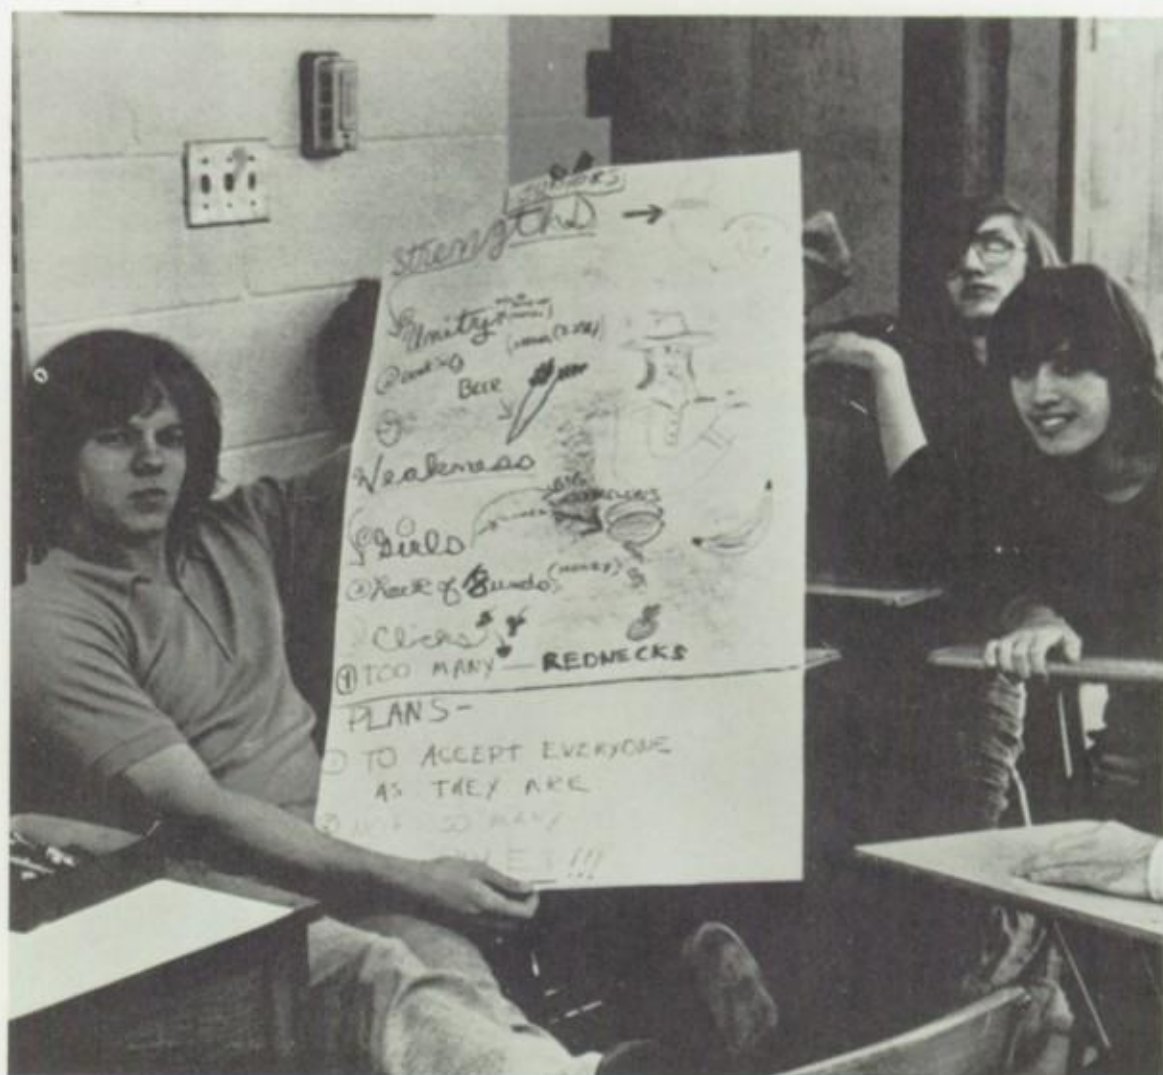

The Falcons breezed by St. Bernard in the first game of the tournament, 14-3. In their bid for a sectional title the Birds were stopped by New Miami, thus climaxing a very productive and exciting season.

With a team consisting of underclassmen, Tennis coach John Rossi will be looking forward to great things in the years to come.

The netmen, mainly juniors, finished the season with 10 wins and 9 losses. Tom Brill, who played first singles, recorded a fine 12-12 mark. The doubles team of John Halbig and Brian Mahany impressed everyone by going undefeated in regular season play. Halbig won team honors with his outstanding overall record of 16-6.

In tournament play Brill and the Halbig-Mahany duo won their ways to the districts, only to be eliminated in first round play.

The Falcon Golf team gave coach Father Bernard Bruening a final season to remember. The linksters displayed the best season in the history of Fenwick golf, setting numerous records.

The foursome of Don Horn, Tom Boxwell, Dave Callsen, and Nick Schramm led the way to a co-championship in the Mid-Miami League.

In a dual meet with Franklin, the Falcons set a record with a team score of 150 for nine holes.

The linksters continued their winning ways as they captured the sectional trophy at Waynesville with a score of 333. They went on to districts at Twin Run in Hamilton in hopes of making it to state, but they fell short. The squad placed second with a score of 332.

Their record season consisted of a 12-2 league record and an overall mark of 13-4.

Senior Trip

April 12-16, 1973

"We're on our way!"

"Memories . . .

It's finally here. But as we walk through the door, entering adulthood, are our thoughts those of JOY or SADNESS?

How can we explain what we're feeling? We've been through so much together . . .

FRESHMAN YEAR—starting out; SOPHOMORE YEAR—feeling more at home, just glad not to be the youngest anymore! JUNIOR YEAR—finally, one of the upper classmen.

But SENIOR YEAR topped them all!

We began the year on top by going to STATE. Remember spending the night in Columbus?

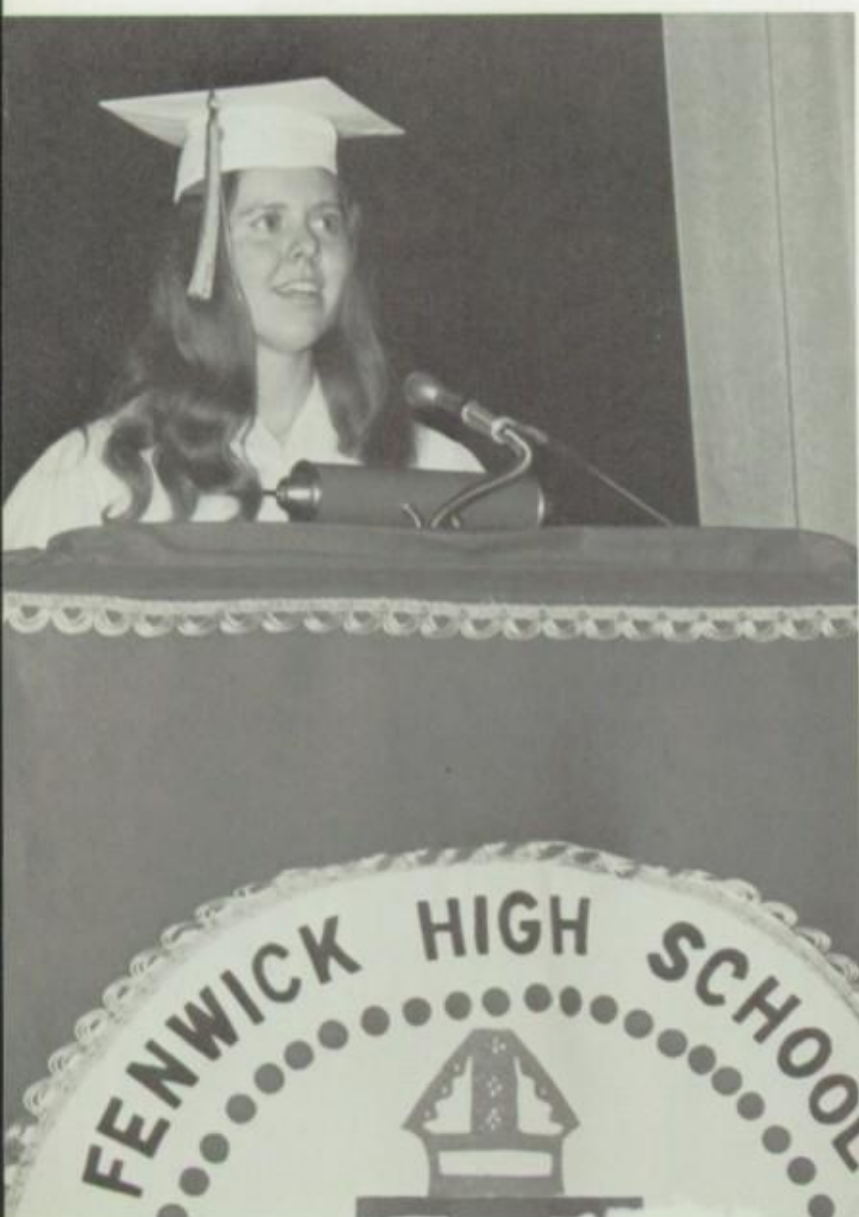

But then it was back to school. Who could forget—"Take out a quarter sheet of paper" or NEWSWEEK or THE PRINCE?

Basketball season came next—another great team—another great season.

As 1973 rolled around, it found many of us spending a few days with God on retreat and finding many new, endearing memories.

pressed between the pages of my mind"

Valedictorian Jan Poirier

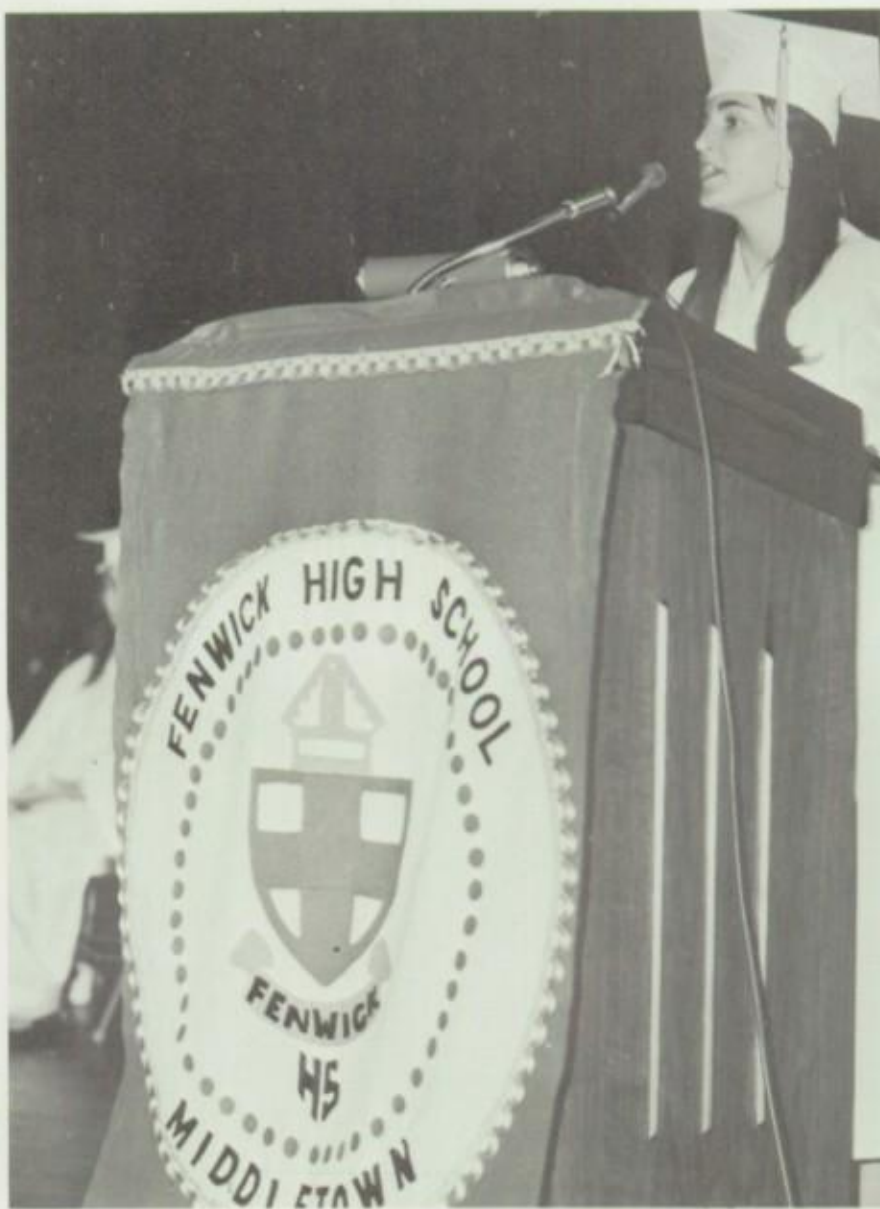

Soon it was time for our Washington trip—four glorious days and a 10 hour ride on a 'bus to get there. Remember the Sheraton Silver Springs? Or who could forget SHEPHERD'S or eating at HOLLOWAY HOUSE? Or "BOOCHIE"? And eating at HOLLOWAY HOUSE? Or HARRY? And, of course, eating at HOLLOWAY HOUSE?

What about the Party in 908? And the HOLLOWAY HOUSE with its luscious meals? And the STAY AWAKE MARATHON, or touring 'til we thought our feet would fall off, or listening to our tour bus driver TALK and TALK and TALK!

It was an unforgettable weekend, but it had to end, and soon it was . . .

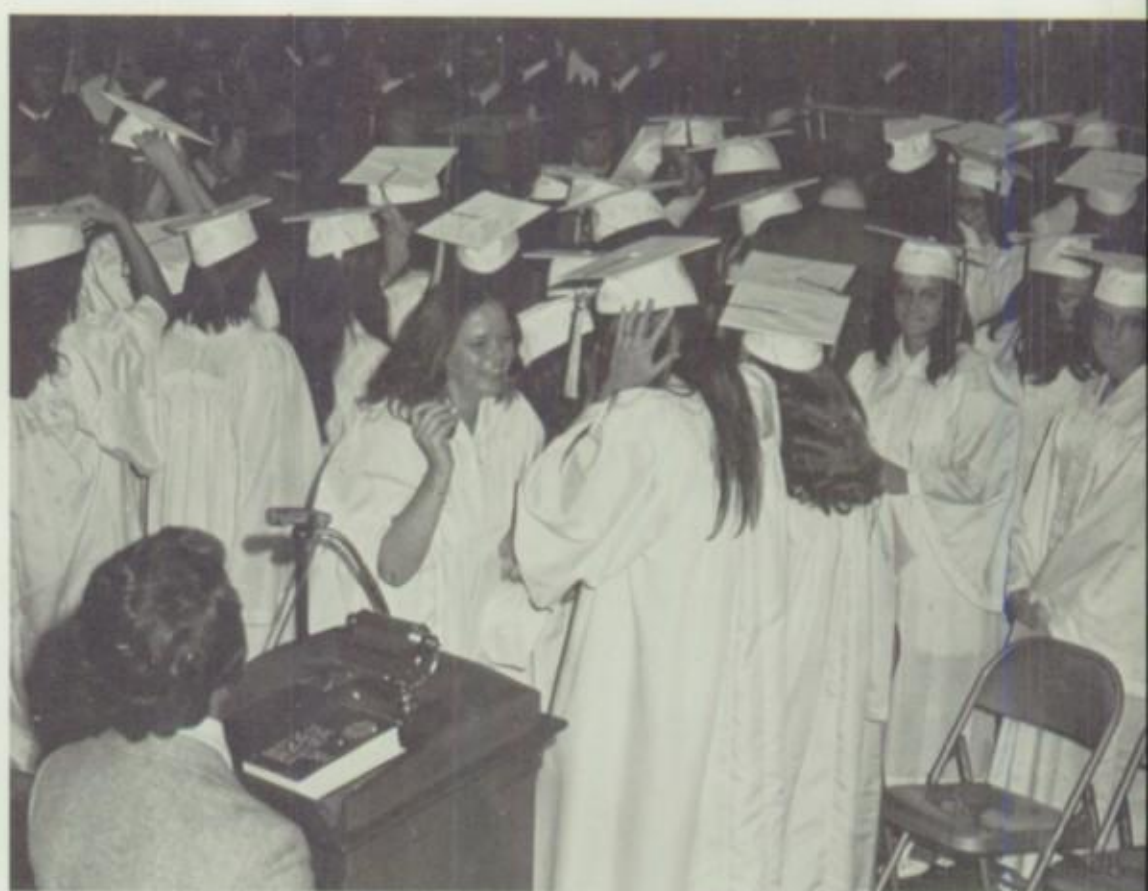

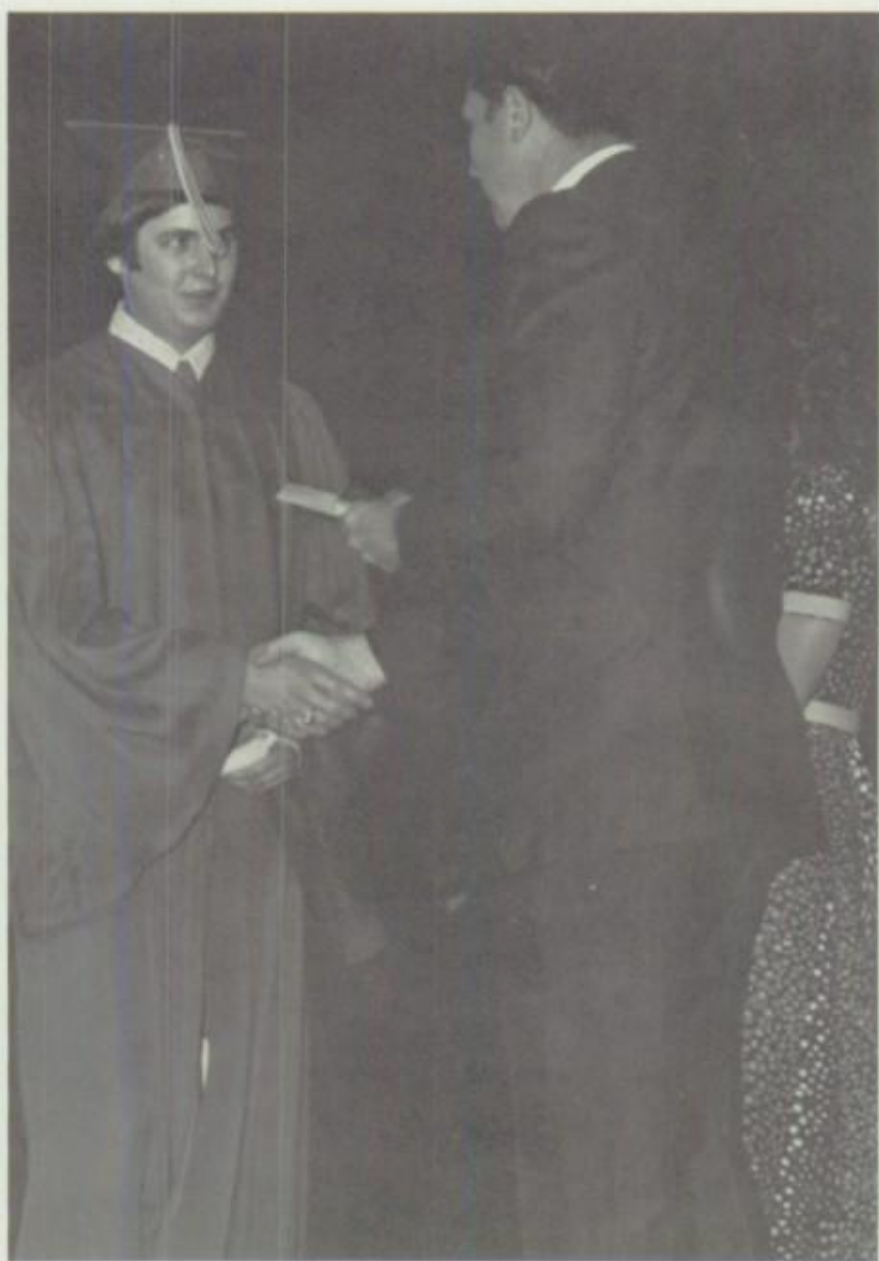

Back to school for the last few weeks of our senior year . . . and SENIOR PRIVILEGES.

Prom . . . Baccalaureate . . . and finally . . . the BIG NIGHT. Eighty-two sad, joyous, reluctant, anxious, excited seniors—getting ready to enter a new world, begin a new life.

Paint-smudged fingers and weary brains slowly transform a gym into a fantasy world of cartoons.

A tissue-stuffed "B.C." float. Books bearing the names American History, Chemistry.

Blue jeans, flannel shirts, dingy tennis shoes comfortably worn to a frolicking square dance they created.

Hours spent endlessly preparing for the biggie: Prom, 1973.

Why so much time? work? trouble?

A joyous chant rings through the halls—

"We are great, we're alive,

We're the class of '75!"

And hidden in its resounding echoes are many new, one time only experiences: that all-important "first" Homecoming dance, a float dubbed the "Wizard of Id," classes like World History and Geometry-Trig, the shakey-kneed wonder of driving a car for the first time, selling candles, raffling puppies, setting up and serving a Baccalaureate dinner, work, work, work, fun, work, fun. And all the while keeping the chant alive.

Oh, the agony of being a pre-person,
an underclassman, a freshman!
Hoping you look alright and don't do anything
dumb like fall up the stairs or go into
the wrong room.
Taking new and different courses.
Wondering what the first dance and
assembly will be like.
Getting a demerit.
And then, oh so slowly, everything falls into place.
You're not lost anymore and faces begin
to look familiar and you know when the bell
is going to ring and you decide you
just might like Fenwick afterall.

Fresh Fish??? Is that what we're having
for lunch? Oh! Sorry!

Editorials, feature stories, layouts, interviews,
columns with such crazy names as

Stories which just don't seem to fit the space allotted.
Stencils typed and re-typed and re-typed.

The end result? Definitely not a gourmet dinner.

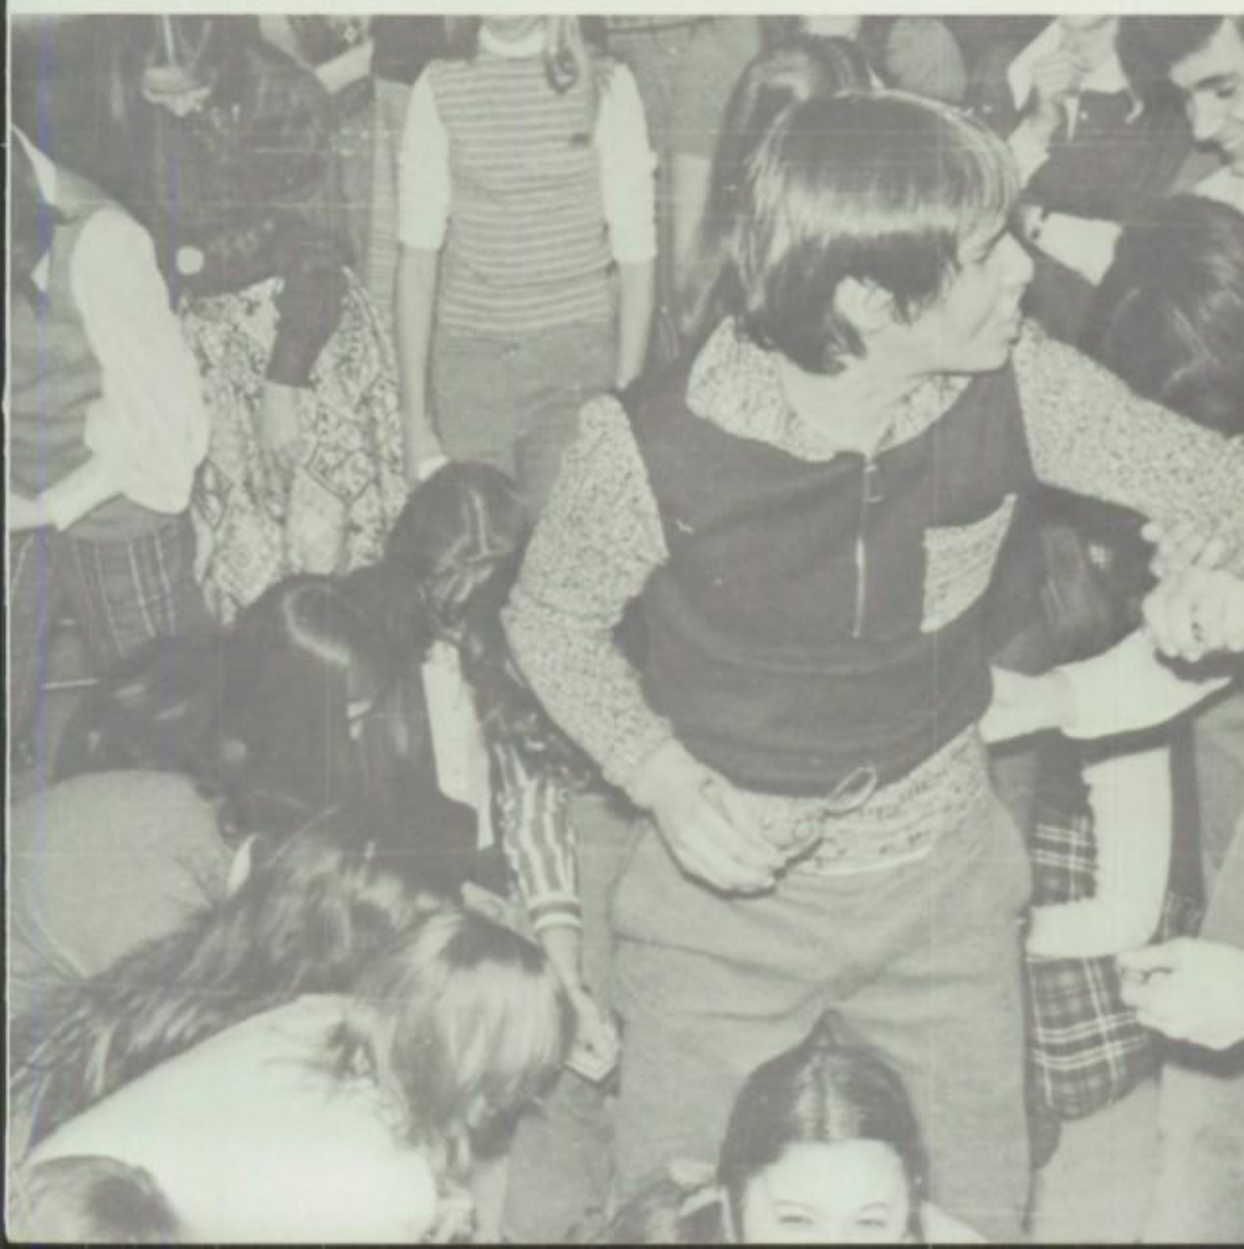

That is, not unless you like a paper sauteed

STUDENT GOVERNMENT

Behind closed library doors
 soft murmurs are barely audible.
 A Student Council meeting is taking
 place. Hush, be still . . . listen
 to the voice of student government
 in action.
 Problems are being discussed.
 Opinions are being voiced.
 Decisions are being made.
 A Christmas Troupe is organized,
 a Spirit Week is planned,
 a bus is being ordered.
 THESIS vs. ANTI-THESIS yields SYNTHESIS
 conflict!
 clash!
 and, finally, agree.
 Close gently behind you the door,
 for it is open wide to government of,
 by, and for the students.

Second Semester Council representatives: Maria Patterson, Sharon Ritter, and Sue Curtis.

Hey, forget that!
The book's going to be different
this year!!

There are new things to try,
new methods to test.
Sure, it's work; but it's fun.
It's seeing the side of Falcons not
many people see—choosing between
the picture where she looks like a
ghoul or the one where she has her
eyes closed; or the one with
his hair in his eyes or where he has
a hole in his pants.

It's a new year, a new Fenwick . . .
The book has to be different . . .
it's alive, fresh, creative . . .
And this was our pattern.

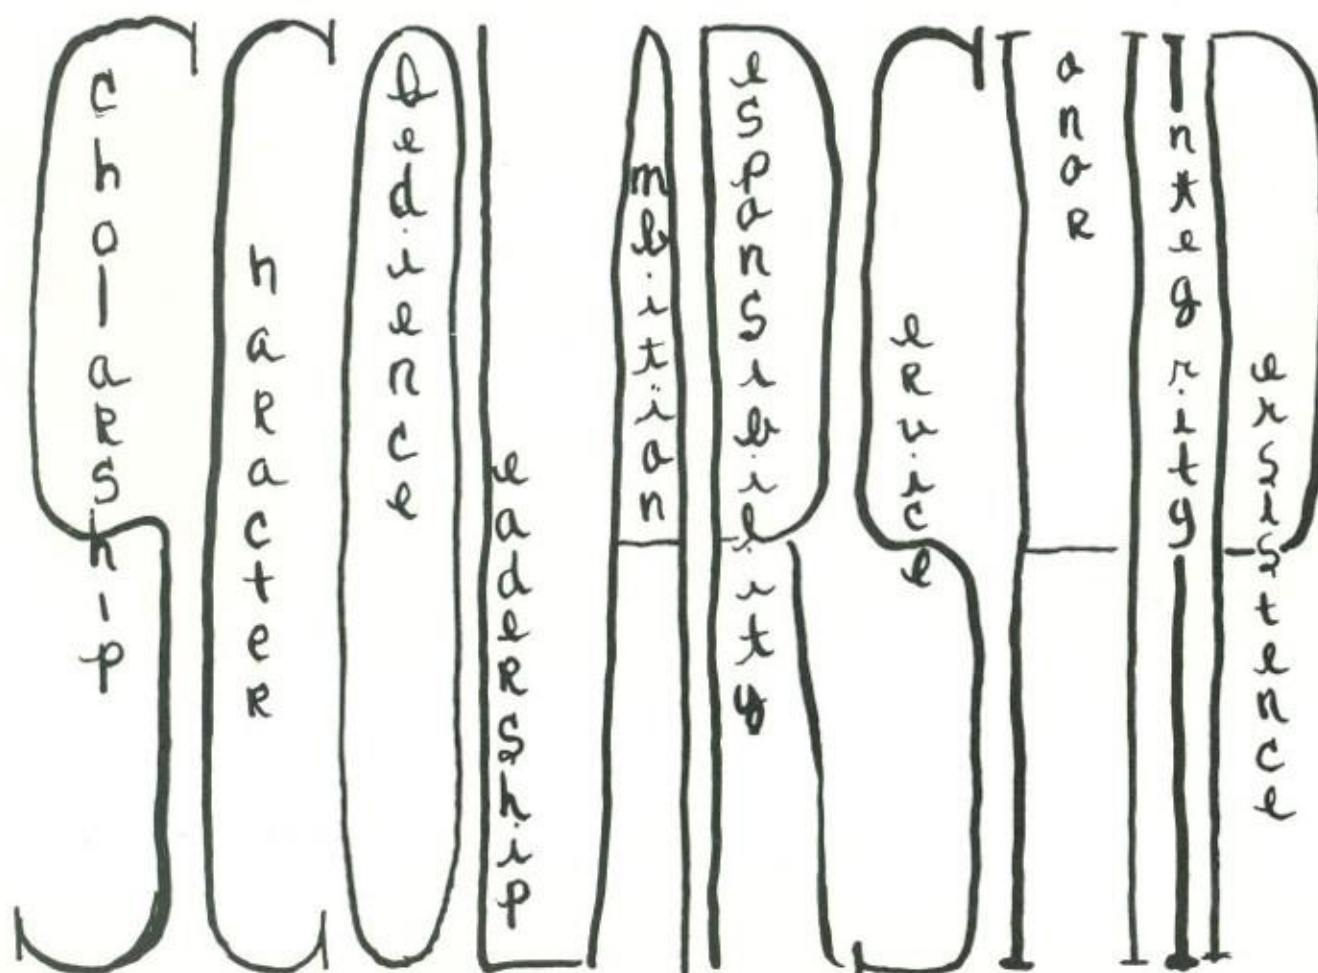

Turres Editorial Board members: kneeling, Patty Rouster; Chris Schumacher, Vicki Andreotta, Debbie Walburg, and Marianne Bidwell.

Jim Davis, Jan Poirier, and Jim Kleingers represented Fenwick on WLWT's "It's Academic" program, December 16. The local team came in second in competition against Laurenceburg and St. Bernard High Schools.

LOOKING FOR SOMETHING?

Self-insight, creativity, happiness. They're all qualities that aren't easy to find. But some suggest that you try pills, needles, and capsules in the search. Some of the last generation suggested materialism. It is unlikely that peace, happiness, and love can be found at the end of a long list of possessions, nor is it likely that they can be found at the end of a chemical reaction.

Each of us must find his own answers.

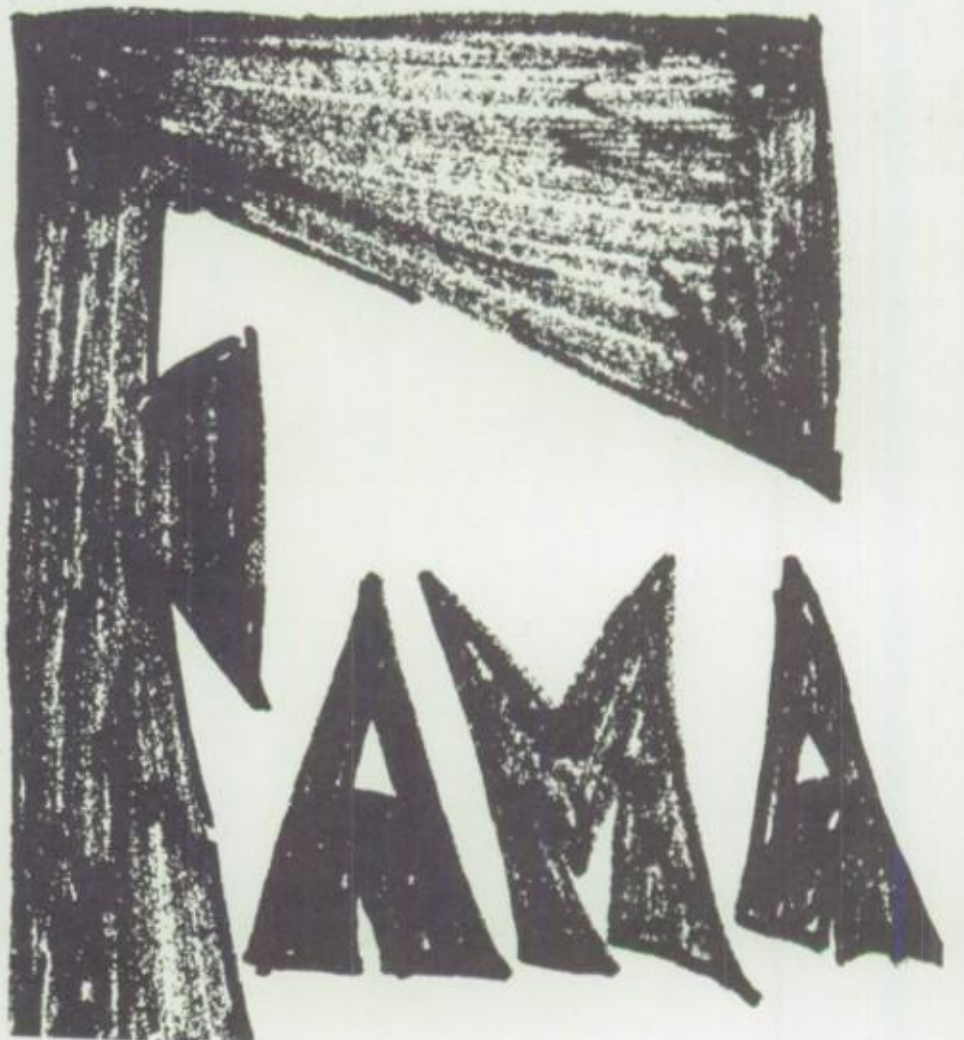

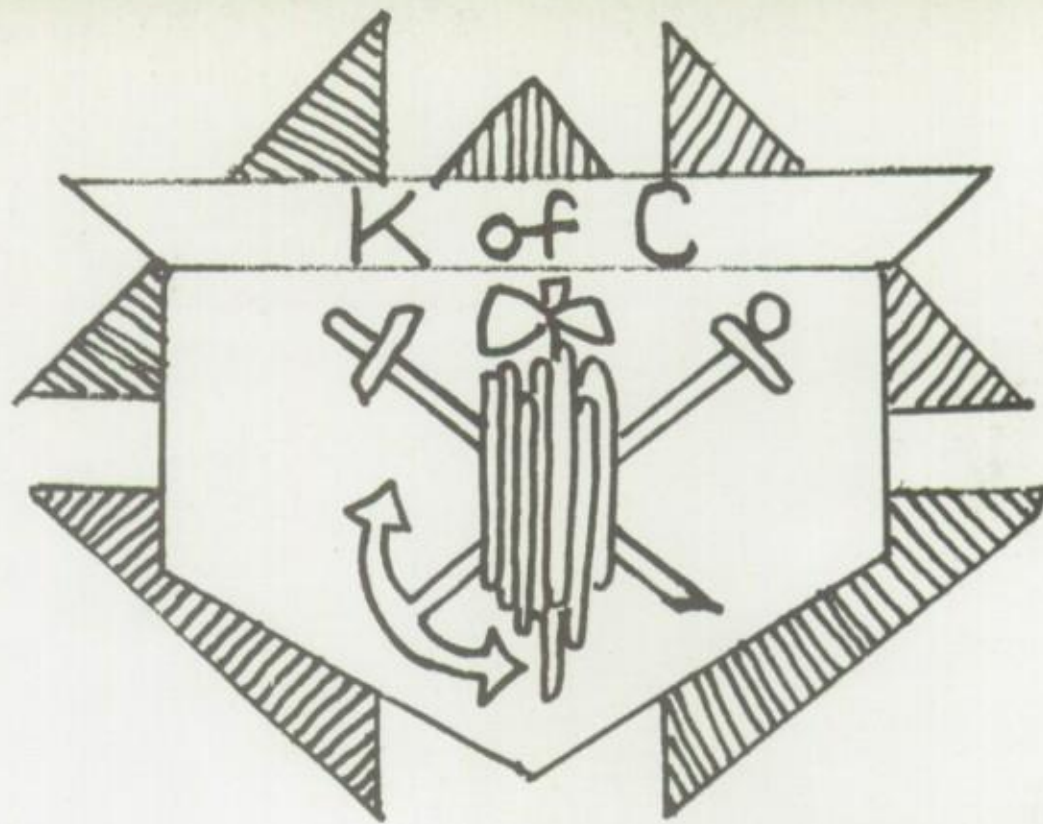

Our hope in the future

Father Bernard H. Bruening

As regular as the sun rise.

As solid as the Rock of Gibraltar.

When you were around Fenwick, you just KNEW he would be around. He seemed to always be there . . .

Running down the hall, keys jingling in his pockets, to unlock some forgotten door . . . solving some spur-of-the-moment crisis . . . hammering together a festival booth . . . darting in and out of the office . . . always on the go . . .

Since his ordination in 1959, the Reverend Bernard Bruening has been a "permanent fixture" at Fenwick while serving assignments at almost every parish in the Middletown area. He was re-assigned again in March, 1973—to a Cincinnati parish—but commuted daily to finish out the school year.

Priest, assistant principal, librarian, coach, and, of course, teacher, Father Bruening precariously balanced all these duties while doubling as Dean of Discipline or the "man in charge of demerits."

Throughout the years, almost every student feared that request to "see Father Bruening" after announcements at the close of the day.

Sure, you can "take Salem out of the country," but you can't take Father Bruening out of Fenwick—not really. You'll still hear him running down the halls with his keys jingling as long as there is a Fenwick High School.

And you know something? Bet you can't take Fenwick out of Father Bruening, either.

Epilogue

We're ready and waiting for whatever will happen next. Because that's the way today's world moves—fast and continuous. We have to keep up 'cause it won't stop for anyone!

Sure, we admit that our world spins at a hectic pace, but only the truly bored and apathetic will fall off. The rest of us plan to hang on by the forces of love, determination, and a thing called "nerve." (Gravity somehow seems unimportant in contrast.)

So we've fastened our seat belts for our tour through life, enjoying it so well that we plan to make "life" our permanent residence.

Because

"once around life,
once around living,"

We've discovered what really counts in this world!
